

# JUN TSUNOKAWA

FRONT-END-DEVELOPER

 +1(236)-885-8214    [jun55tsuno@gmail.com](mailto:jun55tsuno@gmail.com)    [Portfolio](#)    [GitHub](#)    [LinkedIn](#)

## SUMMARY

---

A front-end developer specialized in JavaScript and React.js, with strong abilities in CSS and frameworks. A quick learner with fast problem-solving abilities and an enthusiasm for developing detail-oriented applications. With my good communication skills obtained as a salesperson, I can contribute as a responsible and passionate team member.

## SKILLS

---

Languages: **JavaScript** | **TypeScript** | HTML | CSS

Frameworks & Libraries: **ReactJS** | **NextJS** | **Redux** | React-Router | TailwindCSS | Sass | styled-components | Bootstrap | MaterialUI | chakraUI | jQuery

other: Firebase | Git | Figma

## PROJECTS

---

**Property Manager** (Nextjs, TypeScript, Firebase, MaterialUI, TailwindCss)

- App for house owners, where they can manage their house and tenants' information.
- Tenants' rent payment status is reset on the first of each month.
- Utilize "Server Component" and "Client Component", introduced in Nextjs 13.

**Where's NextTube** (React, RTKQuery, React-Router, chakraUI, TailwindCSS)

- YouTube video searching applications, featuring "Travel".
- User can add their favourite videos to the "favourite list".
- Utilize RTK so that managing states is more accessible across multiple components.

**CRUD To-Do List** (React, TypeScript, Firebase, MaterialUI, TailwindCSS)

- Simple CRUD to-do list, with Firebase and email & password authentication.
- Dynamically manipulating database, including task's name, deadline and status.
- Toggling dark & light modes, with custom MaterialUI styling.

## WORKING EXPERIENCE

---

**Sales representative: MIZUHO BANK, Ltd, Japan**   2020. 4 - 2022. 6

- Engaged in financing business loans, including sales and screening.
- Take on the role of a sales promotion and work with other team members to increase sales.

## EDUCATION

---

**Cornerstone International Community College of Canada**   2022. 9 - Present

Web and Mobile Application Development Diploma

**Keio University**   2016 - 2020

Bachelor of Business and Commerce
